

Welcome

Welcome to the Ethnic Links website, your home to the world of translation.

Ethnic Links is a multilingual translation service, operating from Australia's capital city Canberra since 1989.

In partnership with Ethnic Links you will be able to reach non-English markets throughout the world as well as in Australia.

English

Languages

Communications with foreign countries, companies and individuals is far more effective and welcome when it is done in their own [language](#). Ethnic Links will give you the tools to ensure your message gets across.

Using only the most highly qualified [translators](#), [design](#) and [editorial](#) professionals Ethnic Links delivers a strong clear message for you. Nothing is more important than accuracy and quality when outlining rights, legal requirements and services to non-English speaking clients.

Ethnic Links provides careful cross checking for meaning, and cultural sensitivities as well as checking essential facts such as financial details and contact numbers.

NAATI Accreditation

The National Accreditation Authority of Translators and Interpreters has 3 levels of accreditation.

Level 3 is the professional level which is the level Ethnic Links employs. We also employ academics and language specialists to meet the requirements of language special projects.

English

Services

Presentation is important, and it is essential that the quality of the **finished publication** matches or exceeds the original English.

Ethnic Links can take traditional publications, in any language, through to full colour printed matter, electronic files in PDF for on-demand printing, distribution via CD or the Internet.

Whole web sites can be produced and managed in the language or combination of languages of your choice, including the original English.

We can also produce audio overdubbing or subtitling to extend existing material to international usage, or to multicultural audiences in Australia or other English speaking countries.

Whatever your requirements in foreign language publishing and communication, Ethnic Links will be there to manage it for you.

Design

Ethnic Links employs a fully qualified designer, experienced in computer design and printing, to ensure that your publication, website or multimedia project matches the quality of your English version.

Ethnic Links can also take your job from initial concept through to full design allowing for all the requirements of multi-lingual publications.

English

Editorial

Ethnic Links employs a fully qualified journalist/editor who checks all material for accuracy and quality.
